

Directions to the Kennedy lab in the Phillips-Wangensteen Building (PWB), 12th floor, Room 12-227

Freeway to UMN Parking Ramp

From US 94 take the Huron exit and rapidly move to the left lane because soon after you exit the off ramp, you must turn left at the first stop light onto Fulton Ave.

Take Fulton for a few blocks, through the Oak St. light; continue straight about 2 more city blocks to the Harvard St. stop sign.

Go right on Harvard 2 blocks and cross Washington Ave. The Washington Ave. parking ramp is on your left and Commons hotel is on your right. You need to drive counterclockwise $\frac{3}{4}$ of the way around the ramp to eventually turn left into the ramp (left at Beacon Street traffic signal, left again at Union Street stop sign, then left into the ramp.)

Parking Ramp to Phillips-Wangensteen Building

Park and go to the SW corner of the Washington Ave. ramp to a bank of 3 elevators. Take an elevator to the Tunnel (lowest) level.

The tunnel crosses under Washington Ave. and enters into the 2nd floor of Moos tower (it hosts the Dentistry School). As you enter you will be looking down a very long wide corridor.

Go straight down the hallway almost to the end. About $\frac{3}{4}$ of the way along on the right, you will see a row of vending machines and a hallway on the left. Take the hallway on the left and then take the first right, which leads to the bank of elevators for the PWB. Take one of the elevators up to the 12th floor.

PWB 12th Floor

You will want to go to the North, toward the windowed hallway. But, just before the door to the windowed hallway, turn right, go to the end of the short hallway (past the Men's room), and turn left. You should now be in a hallway with windows on your right side facing East. Proceed along the hallway just past half way and look for room 12-227 (the fourth doorway on the left). The sign outside the door says Kennedy Lab Office.

Welcome!
